

(1) NCUA will automatically supply all insured credit unions an initial supply of official signs with a blue background and white lettering at no cost for compliance with paragraph (a) of this section. If the initial supply is not adequate, the insured credit unions must immediately request additional signs from NCUA. Any credit union that does not have an adequate supply but requests additional signs from NCUA will not be considered to have violated paragraph (a) of this section unless the credit union fails to display the signs after receiving them.

(2) Insured credit unions may purchase additional signs from commercial suppliers in additional colors, materials and sizes, for uses other than those required by paragraph (a) of this section.

(c) An insured credit union must not receive account funds at any teller's station or window where any non-insured credit union or institution receives deposits. Excepted from this prohibition are credit union centers, service centers, or branches servicing more than one credit union where only some of the credit unions are insured by the NCUA. In such instances, immediately above or beside each official sign there must be another sign stating, "Only the following credit unions serviced by this facility are federally insured by the NCUA ____" (the full name of each credit union insured will follow the word NCUA). The lettering must be of such size and print to be clearly legible to all members conducting share or share deposit transactions.

(d) The Board may require any insured credit union, upon at least 30 days' written notice, to change the wording of its official signs in a manner deemed necessary for the protection of shareholders or others.

(e) For purposes of this section, the terms "branch," "station," "teller station," and "window" do not include automated teller machines or point of sale terminals.

§ 740.5 Requirements for the official advertising statement.

(a) Each insured credit union must include the official advertising statement, prescribed in paragraph (b) of this section, in all of its advertise-

ments, including on its main Internet page, except as provided in paragraph (c) of this section.

(1) An insured credit union must include the official advertising statement in its advertisements thirty (30) days after its first day of operations as an insured credit union unless the Regional Director grants it an extension.

(2) If advertising copy without the official advertising statement is on hand on the date the requirements of this section become operative, the insured credit union may use an overstamp or other means to include the official advertising statement until the supplies are exhausted.

(b) The official advertising statement is in substance as follows: This credit union is federally insured by the National Credit Union Administration. The short title "Federally insured by NCUA" and a reproduction of the official sign may be used by insured credit unions at their option as the official advertising statement. The official advertising statement must be in a size and print that is clearly legible.

(c) The following advertisements need not include the official advertising statement:

(1) Statements of condition and reports of condition of an insured credit union which are required to be published by state or federal law or regulation;

(2) Credit union supplies such as stationery (except when used for circular letters), envelopes, deposit slips, checks, drafts, signature cards, account passbooks, and noninsurable certificates;

(3) Signs or plates in the credit union office or attached to the building or buildings in which the offices are located;

(4) Listings in directories;

(5) Advertisements not setting forth the name of the insured credit union;

(6) Display advertisements in credit union directories, provided the name of the credit union is listed on any page in the directory with a symbol or other descriptive matter indicating it is insured;

(7) Joint or group advertisements of credit union services where the names of insured credit unions and noninsured

credit unions are listed and form a part of such advertisement;

(8) Advertisements by radio that do not exceed thirty (30) seconds in time;

(9) Advertisements by television, other than display advertisements, that do not exceed thirty (30) seconds in time;

(10) Advertisements that because of their type or character would be impractical to include the official advertising statement, including but not limited to, promotional items such as calendars, matchbooks, pens, pencils, and key chains;

(11) Advertisements that contain a statement to the effect that the credit union is insured by the National Credit Union Administration, or that its accounts and shares or members are insured by the Administration to the maximum of \$100,000 for each member or shareholder;

(12) Advertisements that do not relate to member accounts, including but not limited to advertisements relating to loans by the credit union, safe-keeping box business or services, traveler's checks on which the credit union is not primarily liable, and credit life or disability insurance.

(d) The non-English equivalent of the official advertising statement may be used in any advertisement provided that the Regional Director gives prior approval to the translation.
